NOVOMATIC had a ball at ICE Totally Gaming

As NOVOMATIC embarks on its 40th anniversary year, the company recaps on an excellent and celebratory ICE Totally Gaming show in London. A much-lauded product presentation, a sophisticated stand design, a birthday party that drew in a big crowd and the great honour to receive no less than three prestigious awards made ICE 2020 indeed a fantastic kick-off for the company's jubilee.

“ICE 2020 is a very special exhibition for NOVOMATIC, not least because we are celebrating our 40th anniversary. We only present our product portfolio here, but we are also showcasing for our customers and partners how we have developed over the past 40 years,” said Harald Neumann, CEO of NOVOMATIC AG, expressing his pride in the company's innovative power at a press conference during the ICE exhibition.

Innovative products and solutions featured massively on the traditionally largest stand of the south hall at ExCeL. The NOVOMATIC stand encompassed dedicated segments for land-based casino and AWP products & systems, biometric technologies for modern access solutions, online gaming, sports betting and cash handling solutions – as well as a little ‘Hall of Game’ museum with vintage machines and a time-line of milestones from the past 40 years – all across a total space of some 5,000 sqm.

Right, left and center in the casino showcase of the stand were Progressive Jackpots, with a broad range of Linked and Stand-alone products. Two brand new Asian Links were premiering in London: the JI DENG GAO ZHAO Link with the title Lucky Trail™ and the LUCKY TWIST™ Link with the twin titles Dynamite Dragon™ and Money Ki Neko™ – the first with a thrilling matrix feature and the other with a hot wheel for the jackpot feature. At the center of the casino presentation was the eye-catching Samurai Beauty™ in a bank of V.I.P. Lounge™ Curve 1.43 cabinets against the backdrop of its impressive and eye-catching video wall signage featuring dedicated content.

Further Linked Progressives on show in the PANTHERA™ 2.27 were the MONEY PARTY™ Link with titles Fruity Fruity™ and Juicy Juicy™ as well as the new CASH CONNECTION™ Collection 1. This linked multi-game package with four titles especially caught the attention of many European operators. Also specifically targeting European operators were the BRILLIANT Link™ Collection 1 and SIZZLING Link™ multi-game offerings with a variety of colourful and thrilling titles presented in the V.I.P. Eagle™ III 3.32 and V.I.P. Lounge™ 2.32 cabinets.

In the Stand-alone Progressives section, titles like Dancing Tiger™, Dancing Lantern™ and Dragon Hits™ as well as the PAYDAY™ Progressives made their mark. NOVO LINE™ Interactive Concurve Edition 5 premiered with a highly attractive selection of games – also including some Stand-alone Progressive titles – as did the NOVO LINE™ Interactive Edition X2 comprising a sophisticated mix of must-have games for every casino.
