PANTHERA™ Curve 1.43

Having launched earlier this year, the PANTHERA™ Curve 1.43 makes its Juegos Miami debut. Featuring an immersive design with 43" monitor, surrounding LED lighting, a new interactive TouchDeck™ and optional topper, this cabinet offers a sophisticated presentation of NOVOMATIC titles in 4K. At Juegos Miami, on display will be the new Vampire Fortunes™ title, which features mysterious gameplay and 4-level jackpot, and is part of the Enchanted Fortunes Linked Jackpot™ series.

V.I.P. Lounge™ Curve 1.43

Another new cabinet launched this year is the V.I.P. Lounge™ Curve 1.43, the next generation of the hugely popular V.I.P. Lounge™ 2.32. Also presenting standout NOVOMATIC content in 4K, this cabinet combines the comfort of the highly comfortable V.I.P. Scorpion Chair with state-of-the-art graphics and design. The 4K version of Great American Wilds™ will be displayed at Juegos Miami, presenting bold gameplay, the Extra Epic Stax™ feature and gripping jackpot thrills.

Otium OT300

Gaining market share since its launch at G2E last year, notably in the Mexican market, the OT300 cabinet powers top video bingo performance. Featuring excellent graphics and fun animations across two screens and optional topper, this cabinet is now fully compatible with TITO and provides a range of games, progressives, mystery and community jackpots. A mix of titles targeting a Latin American audience will be available at Juegos Miami including Bingo de los Cielos and El Pesero.
