

Global Gaming Awards: NOVOMATIC “Casino Supplier of the Year” 2017

Subtitle: NOVOMATIC wins “Casino Supplier of the Year” at Global Gaming Awards in London

London/Gumpoldskirchen, February 13, 2018 (OTS) - NOVOMATIC was presented with the award for “Casino Supplier of the Year” at the Global Gaming Awards London 2018 during a VIP, invite-only ceremony in the heart of the capital. This prestigious award notes the contribution of companies who shape the superb products and services that keep customers returning to casinos.

The NOVOMATIC AG was honored in the segment “Casino Supplier of the Year” for its services as an internationally reliable and innovative technology supplier. “Due to our 29 R&D centers in 16 countries, we are able to drive the development of our industry as well as handle individual customer needs. Thus we are very proud to win this prize as it is valuable feedback for our work”, says Harald Neumann, Chief Executive Officer of NOVOMATIC AG, during the award ceremony.

To ensure the integrity of the Global Gaming Awards, a judging panel made up of 50 of the industry’s leading experts voted on the 185 final nominees across 16 categories, with each vote being independently adjudicated by KPMG.

Presented by Gambling Insider at the iconic Hippodrome Casino, the London branch of the awards seeks to shine a light on several new and exciting sectors of the dynamic gaming industry, acknowledging leaders in other areas that have not been represented before at past GGA events.

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs around 29,500 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to more than 75 countries. The Group operates around 270,000 gaming terminals and video lottery terminals (VLTs) in its some 2,100 plus gaming operations as well as via rental concepts.

Through its numerous international subsidiaries, the NOVOMATIC Group is fully active in all segments of the gaming industry and thus offers a diversified Omni-channel product portfolio to its partners and clients around the world. This product range includes land based gaming products and services, management systems and cash management, online/mobile and social gaming solutions as well as lottery and sports betting solutions together with a range of sophisticated ancillary products and services.
