

NOVOMATIC: Official Sponsor of Belgrade Future Gaming 2022

On May 31 and June 1, Belgrade will turn into Europe's capital city of gaming, as the Belgrade Future Gaming (BFG) 2022 show welcomes key industry manufacturers, suppliers and industry professionals for two days of business and networking. NOVOMATIC will participate as the official main sponsor of the event and with a major floor presence on booth number C2/C3 together with FAZI and the comprehensive offer of AdmiralBet.

Gumpoldskirchen, May 25th, 2022 – Visitors to the booth will experience the world's first public staging of NOVOMATIC's brand new DIAMOND X™ 2.32 multi-screen cabinet. Launched in March 2022, this exciting new cabinet introduces fresh style and crisp game presentation for every casino floor. The DIAMOND X™ 2.32 is an exceptionally elegant dual-screen machine characterized by its black metro finish and exquisite LED silhouette – ready for all demands of the modern gaming floor with premium components, easy integration of player tracking systems and full compatibility with standard protocols.

At the BFG, the DIAMOND X™ 2.32 will showcase the new multi-game NOVO LINE™ Interactive Edition X3 with 40 titles encompassing the complete NOVOMATIC gaming classics as well as a premium selection of new stars and popular fruit game titles. Another highlight for the SEE region is the IMPERA LINK™ in a marvellous Black Edition package with the renowned FUNMASTER 2.27 cabinet as well as complete signage. This highly popular Linked Jackpot multi-game comes with no less than 30 linked games, including six new titles as well as many popular favourites.

The proven PANTHERA™ 2.27 cabinet will highlight the latest Linked Progressive multi-games: NOVO LINE™ CASH CONNECTION™ Edition 2 with 6 LOCK 'N' WIN titles and the Superia CASH CONNECTION™ Volume 1, featuring Pharaohs, fruits, Asian charms and classics plus a bit of the luck of the Irish in another exciting multi-game package. Further NOVOMATIC highlights at the show will be the regional best-seller IMPERATOR® 3.24 featuring the Impera-Line HD™ Edition 7 as well as the new Upgrade Package for the FV610 including an LED upgrade for the cabinet plus the new game mix NOVO LINE™ Interactive Edition X3.

AdmiralBet will also be at the show – the powerful brand continues to grow in Serbia with its constantly expanding network of betting shops providing a unique offering, the best odds and a wide range of premium entertainment.

Miloš Pejić, NOVOMATIC Regional Manager SEE, said: "For 2022, BFG will remain the region's only gaming show with NOVOMATIC participation, which is why it is all the more of an important event for us. We are looking forward to finally being able to welcome our customers in person and on our booth again after two years of trade show absence – and I am definitely convinced that the product presentation that we are preparing will be very well received."

About NOVOMATIC

The NOVOMATIC AG Group is one of the biggest international producers and operators of gaming technologies and employs around 21,200 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in about 50 countries and exports high-tech electronic gaming equipment and solutions to about 100 countries. The Group operates around 212,000 gaming terminals and video lottery terminals (VLTs) in its some 2,000 plus gaming operations as well as via rental concepts.
