

NOVOMATIC successfully completes sale of ADMIRAL Austria to Tipico and focuses on international growth markets

Gumpoldskirchen, September 8, 2025 – Europe's leading gaming technology group has successfully completed the sale of ADMIRAL Austria to Tipico. This transaction underscores NOVOMATIC's long-term focus on global expansion and marks another important milestone in its international growth strategy. ADMIRAL Austria will remain an important technology partner under its new owner Tipico and will continue to rely on NOVOMATIC's innovative technology solutions in the future.

Stefan Krenn, Executive Board Member of NOVOMATIC AG, emphasized: "The completion of this transaction marks an important step in our global expansion strategy with a clear focus on international growth markets. ADMIRAL has developed into an established market leader over the past decades, and we thank all ADMIRAL employees for their great commitment. We are pleased to have found a strong and reliable technology partner in Tipico, who will successfully continue the company's operations in Austria."

Axel Hefer, CEO of the Tipico Group, stated: "We are delighted about the successful completion of this transaction. ADMIRAL is a leading Austrian company with a strong legacy, and clear potential for future growth. Both companies are synonymous with state-of-the-art technology, innovative products and a high focus to player protection. Our future collaboration is very good news for our customers."

The closing of the transaction followed the receipt of all required regulatory approvals.

About NOVOMATIC

The NOVOMATIC AG Group is, as a producer and operator, one of the largest gaming technology groups in the world and employs about 20,000 people. The Group was founded by the industrialist Professor Johann F. Graf in 1980 and has locations in about 45 countries, and exports innovative gaming equipment, system solutions, lottery system solutions, and services to more than 130 countries. The Group operates gaming terminals and video lottery terminals (VLTs) in its more than 1,400 own electronic and regular casinos, as well as via rental models.

The NOVOMATIC AG Group is active as a full-service provider in all segments of the gaming industry through its numerous international subsidiaries, offering a comprehensive omni-channel product portfolio for partners and customers worldwide. This ranges from terrestrial gaming products and services, through management systems, cash management solutions, and online, mobile, and social gaming solutions, to lottery and sports betting solutions, as well as a whole host of other first-rate products and services.
